Strategic Perspective Plan for the Year 2019-20

S. No	Month	Tentative Date	Plan	Strategy	Unit/Component	Details
1.	August	05-08-2019	Haritha-Haram	Strategy	ECO Club	Trees are the source of Oxygen and Food for many living organisms including man. Due to the over exploitation of trees, we have been experiencing a large amount of damage to our mother nature.
2	September	25-09-2019	Rain water harvesting		ECO club	Percolation pits have to be installed in the campus.
3	November	04-11-2019	Say No To Plastic		ECO club	Plastic pollution is the accumulation of plastic objects in earth's environment that adversely affect the eco-system.
4	January	07-01-2020	Swachh Bharath		ECO club	It is initiated by Hon'ble Prime Minister of India
5	February	11-02-2020	Waste Management		ECO club	To make environment Eco-friendly, separate disposal bins have to be placed at different places in the campus
6	February	25-02-2020	Drive Less-Walk More		ECO club	Vehicles produce more pollution which harms human beings. To reduce pollution levels one should go by walk rather using vehicles for shorter distances.

ECO CLUB - Strategy Document

1. Eco club meeting is conducted at the beginning of each academic year.
2. A brief synopsis is given by the committee on the importance of ECO club.
3. Students are registered for ECO club.
4. Students are encouraged to actively participate in the ECO club activities.
5. ECO club has given instructions and suggestions to the students about implementation of the events.
