Respected Sir,

St. Martin's Engineering College is promoted and managed under St. Martin's children Education Society (SMCES) that was founded in 1982. It started with a school at Balanagar having modest student strength of 42, and a unique vision to build a brilliant generation next. As of today, the society has wide spread into four branches from where more than 7,000 students receive quality education.

Establishment of E-Cell has been done in the academic year 2013-14 to motivate the students towards the Entrepreneurship. E-Cell wants to organize the orientation program for the Fresh batch on 06<sup>th</sup> August 2014, so we would appreciate if you could conduct a workshop of above stated subject for our students.
