As per the program schedule all the participants were assembled in the auditorium hall and the dignitaries' Mr. Subaraju, Managing Partner, Smart Steps, Hyderabad, Mr. Laxman Reddy (Chairman), & Dr. Santosh Kumar Patra (Principal) were also assembled in the auditorium hall. Later on the program started with Dr. Santosh Kumar Patra (Principal, SMEC) by addressing to the gathering on the importance of Entrepreneurship in our country, later on Mr. Laxman Reddy (Chairman) as guided the crowd with a few motivational words by showing his work to establish the college like St. Martin's Engineering, later on Dr.D.Daiana David (Principal, SMIBM) spoken the importance of Entrepreneurship and becoming Entrepreneurs rather than searching for the job.

Mr. Vivek Sharma, has started his speech with fun of his own journey from education to entrepreneurship, he spoken more about the students thinking power when they don't have any pressure about the financial matters. The decision taken in the student life will be more effective because the student only had the power of getting into the risk and how to solve that problem also. More over Mr. Vivek Sharma has motivated the students to become Entrepreneurs than the employee for any business.

By this Entrepreneurial talk students motivated towards the entrepreneurship and understood how a simple life can change within a seconds into a prestigious or Normal person in the society.

Later on the program started with Dr. Santosh Kumar Patra (Principal, SMEC) by addressing to the gathering on the importance of Entrepreneurship in our country, later on Mr. Laxman Reddy (Chairman) as guided the crowd with a few motivational words by showing his work to establish the college like St. Martin's Engineering, later on Dr. D. Daiana David (Principal, SMIBM) spoken the importance of Entrepreneurship and becoming Entrepreneurs rather than searching for the job.

Mr. Vivek Sharma, has started his speech with fun of his own journey from education to entrepreneurship, he spoken more about the students thinking power when they don't have any pressure about the financial matters. The decision taken in the student life will be more effective because the student only had the power of getting into the risk and how to solve that problem also. More over Mr. Vivek Sharma has motivated the students to become Entrepreneurs than the employee for any business.

By this Entrepreneurial talk students motivated towards the entrepreneurship and understood how a simple life can change within a seconds into a prestigious or Normal person in the society.
