

St. Martin's Engineering College

Dhulapally, Secunderabad-500 014

Perspective Plan for the Year 2013-14

Electronic governance or **e-governance** is the application of information and communication technology (ICT) for delivering different services like Planning and Development, Administration, Finance and Accounts, Student Admission & support and Examination. St. Martin Engineering College has strategic perspective plan to implement the e-Governance. Following is the detail plan and strategy for implementation.

S. No	Tentative		Plan	Unit	Strategy	Details
	Month	Year				
1.	May	2013	e-Governance implantation	Campus	Strategy	Implementation of e-Governance by purchasing the software
2	July	2013	e-Governance implantation	Campus	Strategy	Installation and Implementation of e-Governance in departments

e-Governance Strategy:

1. Planning to implement the e-governance in the campus
2. Collect requirements from various departments.
3. Collect quotation from various vendors
4. Purchase and installation of e-Governance software (Tally and MS Office) in various department
