## COMMITTEES 2022-2023

E-Governance Committee

### Perspective Plan for the Year 2022-23

Electronic governance or e-governance is the application of information and communication technology (ICT) for delivering different services like Planning and Development, Administration, Finance and Accounts, Student Admission & support and Examination. St. Martin Engineering College has strategic perspective plan to implement the e-Governance. Following is the detail plan and strategy for development and Implementation

S.No	Tentative		Plan	Unit	Strategy	Details
	Month	Year				
1	Dec	2022	E-Governance Implementation	Campus	Strategy	Development, modification and updation of Governance through ERP Software by in-house staff.
2	Feb	2023	E-Governance Implementation	Campus	Strategy	Software development, Testing and implementation of E-Governance in all Departments.

#### E-Governance Strategy:

1. Planning to implement the e-governance in the campus.
2. Collect requirements from various departments.
3. Make software development committee with staff and student.
4. Software development, modification and testing.
5. Installation and implementation in departments.
