8.	Ms. P. Priyanka	Member	EEE	
9.	Mrs. CH. Kalyani	Member	CE	
10.	Mrs. M. Santoshi Kumari	Member	S&H	

Points Discussed:

- ❖ Faculties are advised to write quality research paper, publish paper in peer reviewed journal and attend the conferences.
- ❖ All the doctorates faculty members are expected to publish a minimum of two research articles in SCI journals and PG faculty in SCOPUS indexed journals. However, doctorates faculty can opt to publish 4 research articles in SCOPUS indexed journal or 2 research articles in SCOPUS indexed journals and one research article in SCI journals.
- ❖ Similarly, a PG faculty can publish one research article in SCI journal instead of two research articles in SCOPUS indexed journals.
- ❖ Faculties are advised to submit consultancy and research project proposals to government and non-government organizations.
- ❖ The concentration on R&D activities, Extension activities, attending seminars and workshops needs to be increased, and organizing international conference.
- ❖ The faculties are advised to follow code of ethics.
- ❖ It is discussed to maintain healthy search environment in the college and also to help incubation center faculties.
- ❖ The faculties are advised to allot innovative projects to students for creation of knowledge and transferring to the society.
- ❖ It is decided to scrutinize the student's project at the level of patent and convert qualified projects into patent.
- ❖ Faculty are advised to involve students also in paper publication in conference.
- ❖ It is decided to continue organizing state level project competition, "Technovasion" in the campus.
- ❖ Faculty members are advised to encourage students to participate in MSME idea hackathon 2.0 and other hackathon organized by govt., non-govt. agencies.
