Post Event Summary Report

Name of the event: Woman Empowerment and Prevention of Sexual Harassment, (POSH) at Government School, Jeedimetla

Date of the event: 7/4/2016

Number of students participated in such activities: 40

About the event:

On 07th April 2016, our St.Martin's engineering college students have organized visit to government school, Jeedimetla. The students there were really enthusiastic and very keen about their future. There, we discussed the role of women in the society and session on prevention of sexual harassment and how to enjoy their right to control and benefit from the resources, assets, income and their own time, as well as the ability to manage risk and improve their economic status. We also spoke about what to do after their tenth standard and many of them were talented as some could dance and some could even sing really well. We returned to the college by 01:00pm. At the end of the event students are satisfied.

About the event:

The seminar on "Self-esteem and Decision making" was very effective as it is important to maintain self respect and dignity. Many tasks can be successfully performed through dignity of labor and self-esteem.

In the process of making decision, one has to ponder in many ways in analyzing the situation, probability and possibility of solutions. Decisions can design an individual carrier and thus fill the lives with happiness.

The seminar was very purposeful for the girl students.
