About the College

St. Martin's Engineering College, an Autonomous Institution, situated in an eco-friendly environment, with state-of-art infrastructure. College has achieved the prestigious grade A+ from NAAC, UGC Paramarsh mentor, NBA accredited, ISO certified, DSIR Recognition, Remote center of IIT Bombay, Member of CII and MSME certified Institution. Signed more than 82 MoU's with major companies' and institutions.

About Department

Electrical and Electronics Engineering was started in the year of 2002 with an intake of 60. We are technologically updated and follow the strict curriculum provided by JNTUH to impart a standard education to our students. There are 17 well qualified and trained faculty from various reputed Universities and Institutions. The Department is endeavoring to produce highly trained and capable engineers, who can take up the challenges of the real world. Department of EEE faculties published 265 research papers, published 05 books, and filed 06 patents. Students are also participated 9 events and bagged awards in all events. The Department has its own Technical Association, BETA to enhance the professional competence of students. The department has registered for student chapter IEL

About Conference

The International Conference on Advances in Electrical and Electronics Engineering (ICAEEE), for its enormous impact on the next generation and advanced technology focused on research and deployment venture which paved way for inter-disciplinary research in electrical, electronics, computer, instrumentation, automation, and communication engineering, ICAEEE aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects and discuss the practical challenges encountered and the solutions adopted. Expert talks are planned for exchange of ideas and sharing expertise. The conference serves to be better platform to enrich research activities.

Call for Paper

Topics of interest include but are not limited to:

- Renewable energy and Energy management systems
- Power transmission, distribution, and generation
- Power system Modeling, simulation, and control of machines
- Diagnosis in Power Electronics, machines, and drives
- Network restructuring and marketing strategy in Electrical engineering
- Artificial intelligence and soft computing techniques
- Electric Vehicles and Transportation.

All the registered authors will receive Registration kit, Hardcopy of International Certificate, e-Certificate, International proceeding with ISBN and journal publication.

Registration Fee
