About the College

St. Martin's Engineering College is an Autonomous Institution, situated in an eco-friendly environment, with state of the art infrastructure. The college has achieved the prestigious NAAC A+ grade, NIRF Ranked, NBA accredited Paramarsh mentor, ISO certified, DSIR Recognition, Remote center of IIT Bombay, Member of CII and MSME certified Institution. Signed more than 82 MoUs with major companies and institutions. Careers 360 Certified as AA+; Competition Success Review Ranked 3 out of 20; Career Connect Ranked us 13th and Best Engineering Colleges of India and Wikipedia Ranked 8th in Telangana. The college is bestowed with the glorious Governor Award thrice; The Engineering Educators' Award 2019; NIRDPR Award (Govt. of India); IDF Best Partner Award; Dewang Mehta Award; TCS ION Award; CSI Award (Students Chapter); Best Innovation by Federation of Gujarat Industries and Street Cause-Most Dedicated Division. Best Sports College by Stumagz, Telangana and National Leadership Excellence Award- 2019 by ICCI.

The Department of S&H is a conglomeration of applied basic sciences and humanities like physics, Chemistry, Mathematics, English Language communications and Management studies to provide a strong base to the Engineering students. We teach scientific temper as well as human values. The department is an assembly of dedicated, experienced and highly educated teachers with 10+ PhDs. to its credit. The research oriented department has produced more than 200 quality research publications in Scopus and University Care Journals and still counting.

About Conference

ICCIASH 2021 focuses on both theory and application in the broad areas of applied sciences and humanities. It is a multidisciplinary conference organized with the objective of bringing together academicians, scientists, researchers from industry, research scholars, and students working in all the areas of applied sciences and humanities. The conference will provide the authors and listeners with opportunities for national and international collaboration and networking among universities and institutions from India and abroad for promoting research and developing technologies. The aim of this conference is to promote translation of basic research into applied investigation and convert applied investigation into practice. This conference will also create awareness about the importance of basic scientific research in different fields matching with the current trends. The conference will provide the flavour of keynote lectures by eminent speakers from different areas & panel discussion by industry people. The scope of the conference includes all the areas of Applied sciences & Humanities.
